

*America's Most Beautiful Outboards*

THE 1958 *Delta*

*The boldest advance in **Delta** history...*

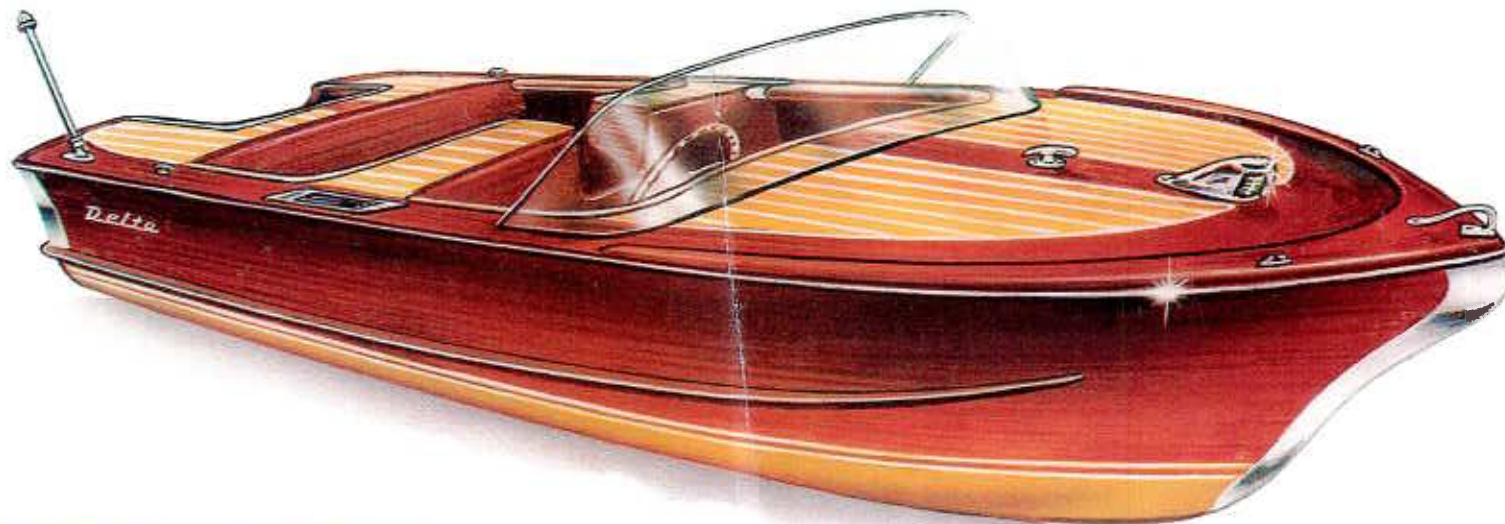

## **Sassy 15**

Here is styling that's advanced and new — with exciting new touches everywhere. The wide roomy cockpit has "stretch out" comfort for six or more passengers. Another unique feature is the continuous compound flair which sweeps the entire length of the boat. The DELTA *Sassy* is engineered throughout to handle the new larger motors.

MODEL	LENGTH	BEAM AMIDSHIP	BEAM AT TRANSOM	DEPTH	FO
<b>Sassy</b>	15'-2"	66"	60"	31"	
<b>Hollywood</b>	15'-2"	66"	60"	31"	

*New beauty and dignity in 1958*

## Hollywood 15

FOREDECK	CENTER DECK	REAR DECK	SEATING CAPACITY	WEIGHT	MOTOR	APPROX. SPEEDS
72"	Optional	36"	6 or 7	390	10 to 70 hp.	35+
72"	Optional	36"	6 or 7	350	10 to 70 hp.	35+

Here is easy going gracefulness. Beautifully sculptured . . . distinctively detailed . . . From stem to stern the New DELTA *Hollywood* reflects color harmony inside and out to please your own personal taste. You'll wish the days were longer when you own this beauty . . . There's the promise of fun in every line.

## Escape 15

### SMART NEW INTERIORS

These exciting new vinyls are functionally handsome . . . long wearing . . . and easy to care for. Interior appointments are tastefully tailored to match the tempo of the advanced exterior styling.

A style sensation in any setting is this stunning new DELTA *Escape*. Its lines are classic — clean, crisp, definite in character. . . Luxurious interiors blend with the overall styling theme. For 1958 get the best — Get a DELTA.

MODEL	LENGTH	BEAM AMIDSHIP	BEAM AT TRANSOM	DEPTH
<b>Escape</b>	15+	66"	60"	31"
<b>Semate</b>	15+	69"	60"	31"
<b>Playmate</b>	13+	54"	50"	28+

**Semate 15**

Here again in '58 the DELTA *Semate* is a leader in its class. Everything is sensational about these smart new DELTA boats, including value. The new *Semate* is without a doubt one of the smartest-looking boats on the water today.

**Playmate 13**

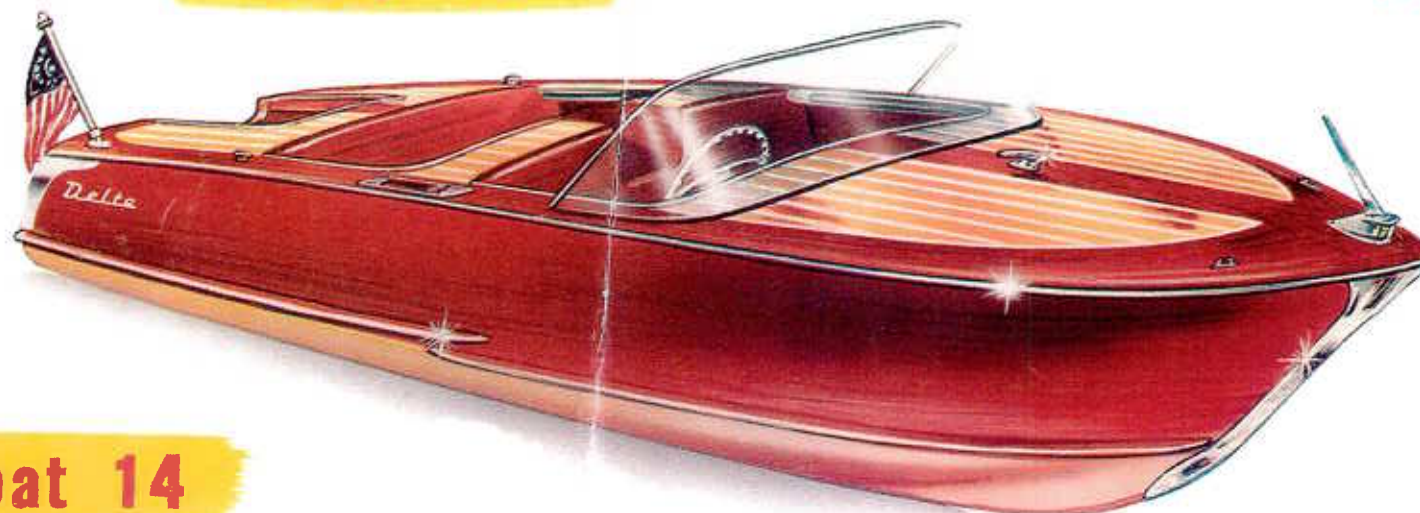

FOREDECK	CENTER DECK	REAR DECK	SEATING CAPACITY	WEIGHT	MOTOR	APPROX. SPEEDS
72"	Optional	36"	6	350	10 to 70 hp.	35+
72"	Optional	36"	6	350	10 to 70 hp.	35+
54"	Optional	28"	5	200	10 to 50 hp.	35+

If you love speed and also want top performance this DELTA *Playmate* is the boat for you. Its shorter length and low weight of only 200 pounds insures you of the fastest possible speeds with motors ranging from 10 to 30 horsepower.

## Sexy 14

Delta

## Skiboat 14

The DELTA *Skiboat* has been designed especially for the skiing enthusiast with plenty of room to stow skis, lines and other equipment. The hull design is identical to the *Sexy* and is quality built from cutwater to transom.

The beautifully designed DELTA *Sexy* for 1958 sets a new standard of performance, roominess and distinctive styling. The wide beam and greater depth together with the long graceful spray-rails assure you of a dry, comfortable ride in the roughest water.

MODEL	LENGTH	BEAM AMIDSHIP	BEAM AT TRANSOM	DEPTH	FORE

*presents a New Ply-Lap Outboard for 1958...*

**Tempest 17\***

*\*Also available in 15 ft.*

Here in the DELTA *Tempest*, you have big outboard solidity, spaciousness and quality — plus a long list of luxury features generally found in boats costing much more, if available at all. You have Ply-Lap construction plus the advantages of molded hull design and your choice of transom for either single or twin engine installation. Also you have your choice of three different cockpit arrangements and two-toned or all mahogany decks. All models can be had in 20-inch transoms and drywells.

#### SEATING ARRANGEMENTS TO SUIT YOUR FANCY

60"	Optional	Optional	8	480	10 to 70 hp.	32+
60"	Optional	34	6	290	10 to 70 hp.	35+
60"	Optional	—	6	270	10 to 70 hp.	35+

## For 1958 get the best Get a Delta!

For 1958, DELTA again has created new concepts in fine boat design and set the direction for others to follow. The beautiful smartly styled "outboard of outboards." No detail has been overlooked to produce the most luxuriously built runabout of today!

All DELTA shapes are especially designed and built by United States Molded Plywood Corporation exclusively for DELTA boats. They are made up of six- (6-) ply genuine marine mahogany, bonded together with the finest of phenolic glues.

DELTA boats are finished with six (6) coats of the very best in marine varnishes. Each coat is hand rubbed and painstakingly applied by hand in dust-free rooms. DELTA craftsmen have learned from years of experience that this must be done in order to insure long-lasting finishes with the highest possible gloss.

You have a wide variety of color schemes and styles to choose from! Style-toned, all-mahogany, bleached and korina-striped decks; rounded gunnels or monkey rails; and many beautiful colors of upholstery, are only a few of the outstanding features.

Yes, ask and you shall receive! Our only objective is pleasing you. We invite you to learn first hand that Delta for 1958 is all that we say it is . . . and more.
