

*Rules for Classification and Construction*

**II** *Materials and Welding*

**2** **Non-metallic Materials**

**1** **Fibre Reinforced Plastics and Bonding**

---

**Table of Contents**

**Section 1            Requirements for Materials and Production**

- A.    Definitions ..... 1- 1
- B.    Materials ..... 1- 1
- C.    Approval of Materials ..... 1- 3
- D.    Requirements for Manufacturers ..... 1- 3
- E.    Regulations for Processing ..... 1- 4
- F.    Manufacturing Surveillance ..... 1- 6

**Section 2            Inspection and Testing of Fibre Composite Materials**

- A.    Requirements ..... 2- 1

**Section 3            Repair of Components**

- A.    General ..... 3- 1
- B.    Procedure ..... 3- 1
- C.    Documentation ..... 3- 3
- D.    Enclosures ..... 3- 3
