

pawnee

bow rider, Cathedral stern drive

Renegade, runaway performance combined with more civilized luxury. This advanced tri-hull design pushes the water away from the sides for added lift, speed and the smoothest going on the waves. The ideal ski boat! More standard features for the price.

STANDARD EQUIPMENT:

Stainless Steel Bow and Stern Rail, Bow Eye, Ski Racks, Removable Jump Seats, Rich Vinyl Carpeting, Padded Bow Cushions, Two Ice Chests, Cushioned Engine Box, 3 Storage Compartments in Bow, Glove Box, Walk-thru Windshield and Forward Compartment Door, 36 Gallon Fuel Capacity.

SPECIFICATIONS:

model 18CH
Centerline . . . 18'2"
Beam . . . 92"
Depth Amid . . . 48"
Height . . . 41"
Approx. Wt. . . . 2,750
