

The image displays three different views of a rotating lower section of a dagger board. Each view shows a blue, curved component with a red base. The third view on the right shows a yellow section on the right side of the red base. The components are arranged in a row, with the first view on the left, the second in the middle, and the third on the right. A teal text box is overlaid on the bottom right of the image.

## **R D Dagger Board**

Rotating Lower Section.
